ANOTHER OPPORTUNITY TO SHARE YOUR FAITH
AND INVITE SOMEONE TO CHURCH

OH COME,
CHRIST,

LET US ADORE HIM
THE LORD!

**From
the
Pastor**

**Noah's Ark
December 2015**

Welcome to the beginning of the new year! According to the church calendar, the new church year starts right after Thanksgiving. During the last few weeks of November, you must have heard about the end times. Mention the end times and you might shutter. How many of you actually think about the end of your life? I surely try not to think about it, but at times I do. I think we all do. In my line of work that's all we talk about with people. Pastors usually talk about what happens at the end of our lives. People want to know and tend to ask about it on more than one occasion.

If this were the end and the last day as we know it, how would you spend it? Would you spend it with family and friends? Would you rack up your credit cards and spend all your money? Would you gamble it away? Or would you spend it in church praying to God? A few years ago, there was a man who claimed that the world would be destroyed on a certain day at a certain time. Numerous people have made the exact same claim. Have you noticed that people do crazy things because they thought it was the last day of the world?

Therefore, what makes us different from people proclaiming false times? Every November, we proclaim "the End Times." The difference is that we do not know when it will take place, and we will never know when God will send Jesus. We have waited for the end times since Jesus ascended into the Kingdom of Heaven. The disciples asked Jesus, and His response was only the Father knows. As Christians, all we have to do is to continue in believing when Jesus will come again (Second Advent). Not knowing the end time's means we do not get hooked on a certain day but look forward to what comes afterwards. What we have to look forward to is a new beginning with God in which we rejoice in the Heavenly Kingdom. We can always look at the end but I prefer to look forward to Jesus. This month, we get to hear about the beginning of a new life. We hear about the new life born to the Virgin Mary. This beautiful life that was given for you. Rejoice this month as we hear what God does for us at the beginning and at the end.

A Blessed Christmas to All, Pastor Travis

Thursday Night Worship is going well with children participation in worship. Pictured below the children enjoy singing some songs they learned in VBS and Charlotte leading in the Versicles. If you can't attend on Sunday come on Thursday at 6 PM.

"Enter His gates with thanksgiving and into His courts with praise!"

"What Does Trinity Lutheran Church Mean to Me?"

When my family and I moved to Glen Cove 65 years ago, Trinity became our spiritual home. The Word of God was preached every Sunday and Holy Communion was celebrated once a month. It was a place to learn God's Word and have fellowship in the various groups. We had two women's groups, a men's group and bowling that the men of Trinity were in. There was also Choir, Christmas sales and dinners.

There have been changes in hymnals but the one fact remains, that the Word of God is still preached and taught. We now have more Bible studies and we still have fellowship activities. Where we had in May a ham dinner, it is now Palm Sunday Brunch; October was a Pot Roast Dinner and is now the Oktoberfest. Different, but the same, Fellowship and the Word.

Trinity members are warm, friendly and willing to pray with you or for you. It will always be a place of comfort.

This will be my spiritual home until I go to my Heavenly Home.

Edith Uhlendorf

A Blessed Christmas to all our Trinity Families!!!

Dear Brothers and Sisters In Christ,

As some of you might not know, Thrivent has this wonderful program called Thrivent Action Team. It is a program in which if you are a member of Thrivent (life insurance, insurance, stocks etc) they promote their members to help in the community.

Here are some examples:

Pastor's Thrivent Choice this year - Free Ice Cream give away during Labor Day weekend and Parsonage Dedication.
Phyllis Yee - Community Gingerbread house through Hannah's School
Lynda Madden - Blood Drive/LWML Rally
Bill Charon - Installation Dinner.
Ida Madden - Food Pantry shelving

If I am forgetting others, I do apology. Each event, Thrivent will give 250 dollars to help the community, provide fellowship and any other idea. Due to lack of information, I am not aware who is or might be a Thrivent Member from Trinity. I do know, that I have two events that need help financially.

1st Event - German Advent Service - We will be providing Coffee and Baked Goods after Service. - With Thrivent Action Team, we can provide the necessary items and whatever we do not use can go to buy more food for our food pantry.

2nd Event - On December 19th, we have a wonderful opportunity to provide hot chocolate and coffee to our neighbors. I can promise you this, it will not melt. With Thrivent Action Team, they will provide the 250 dollars and we can use it to buy all the coffee and hot chocolate.

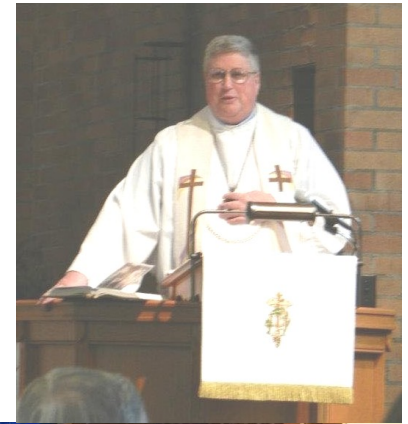

By Now, you can see the wonderful things we can do with Thrivent Action Team. All we need to do is think of events and plan it. It does not have to be a Lutheran Church thing. As long as you are a member, you can help in any way you can. Just like Phyllis, she is using it to help organizing building Gingerbread houses for the local nursing home.

You are allowed to use the program twice a year. That's 250 dollars per event. If you are a Thrivent Member, and have not used your 500 dollars, please let me know. We can do wonderful things still for 2015 Thank you!

Pastor Travis
