From the Pastor

Dear Brothers and Sisters in Christ,

Every time I drive, I use my iPhone and the app called Waze. I love my Waze app. Within the Waze app I can change the voice of the computer. They have celebrity voices. They tell you issues that are happening on the road. It can redirect you to a new direction if the current path takes too long. I wish we had an app for Christian life. The app would tell you to stop what you are doing. It will also redirect you to a better life. This app will guide you by directing you to avoid temptations and only to rely on God.

Wait a minute! God did make a wonderful application for us to use. It does have a voice that tells you how to react and redirects you in a new position. The app has survived for over 2000 years. This app is the Bible. I'm not talking about the one you find through an electronic version, but the Bible that was written by God Himself. It is the True Word of God. Every day we take God's Word for granted. It's not an app that we just use whenever we have to drive. God's Word applies to us all the time. **3** Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear, and who keep what is written in it, for the time is near. Revelation 1:3

At the current time of the year, it's a blessing to hear about God. To hear what God did and how He revealed to us the name of Jesus Christ. God blesses those who read the Word. Just as Jesus stated Blessed are those poor in the Spirit. When we are poor, God blesses us when we hear His word. He strengthens us when we are weak. As the Word of God guides you, may the Spirit of God strengthen your faith. May you hear the Word of God talk to you. May the Word of God show you the right direction during this season of Lent.
