## DATED MATERIAL

*"For God so loved the world that He gave his only begotten Son,  
that whoever believes in him shall not perish but have everlasting life."  
John 3:16*

October 2020      Issue #424

### Reformation Sunday October 25, 2020

*"I am crucified with Christ, nevertheless I live;  
yet not I, but Christ lives in me; and the life  
which I now live in the flesh I live by faith  
in the Son of God, who loved me and gave  
himself for me." Galatians 2:20*

*"For by grace you have been saved through faith, that not  
of yourselves; it is the gift of God, not of works, lest any  
one should boast. For we are his workmanship created in  
Christ Jesus for good works, which God prepared before-  
hand that we should walk in them." Ephesians 2:8-10*

**Noah's Ark  
October 2020  
From the Pastor**

On the last weekend of September, I had the honor of driving to Fort Wayne, Indiana, to officiate at a wedding. Stacie and Parth were married in a Lutheran Church, and the word of God was proclaimed. While I would love to focus on the wedding, I thought about focusing on the drive. The drive was about 10-1/2 hours. However, one cannot make the drive in one shot. You have to stop at least one time. Depending on your car and gas, it might be a two-stop drive.

While I was driving, you have a lot of time on hand. You can imagine the conversations you can have with God. One conversation that I had was thanking God for being our Creator. As I drove through Pennsylvania, you can tell that it is very different from our little area of Long Island. We have water within a 10-minute drive. However, in the midwest, water could be miles away. God sure had a way of creating this wonderful planet.

9 And God said, "Let the waters under the heavens be gathered together into one place, and let the dry land appear." And it was so. 10 God called the dry land Earth, and the waters that were gathered together, he called Seas. And God saw that it was good. 11 And God said, "Let the earth sprout vegetation, plants yielding seed, and fruit trees bearing fruit in which is their seed, each according to its kind, on the earth." And it was so. Genesis 1:9-11

Even with everything that is going on in the world, we have to take a step back and give thanks. Give thanks that God is still in control when we are not in control. It may seem that we might have lost a little control of our lives and the normal way of life, but we really have not. We have to remember that God is the creator, and we are not to be anxious about our lives. The birds are still chirping, and the leaves of the tree are turning color. Take a step back, give thanks to God, and receive His peace. God is good!

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." Philippians 4:6-7*
