Issue #427

The 100th Anniversary of  
Trinity Lutheran Church, Glen Cove, NY

**Noah's Ark**

**January 2021**

***From the President***

Dear Trinity Congregation Members,

On behalf of the Church Council, I would like to wish you a very Happy New Year and hope that all had a wonderful Christmas. I know we had a wonderful Christmas at the Church as Pastor Travis and the musical talent provided all with an extraordinary Christmas Eve worship. Now, we turn our attention to a New Year. Rather than focusing on what the entire world is focusing on, Covid-19 and the abundance of negativity that comes with it; I would like to share a gleam of hope for Trinity moving into 2021.

During Christmas, we were blessed with some significant donations. We all should be very grateful for this generosity and love for Trinity. While this is only a start to a new future, I strongly believe it needs to be recognized and appreciated. Nobody wants to ask others for their hard earned money, which is why it was difficult to draft the recent letters sent to the congregation. However, I realize it will take more; interest from outside families seeking a place to worship, better participation from our current members, and donations to continue, to operate as we all wish; which brings me back to the amazing generosity of our members and their donations over the past few weeks. It goes to show not just one person can turn our Church around, but all of us together can create a real fighting chance.

Moving into 2021, I hope all members can attempt to bring one other family into our Church. I also ask you to share ideas of fundraisers that can generate more donations. Let's remember 2020 as a wakeup call, and make 2021 into a new beginning of a lively and leading church in our community and surrounding communities. I feel this may be easier than one may think, because we have an amazing congregation, a passionate and extremely dedicated Pastor, and a beautiful house to worship within.

Council will be meeting in the middle of the month, and are expecting to have a very important congregational meeting on January 24th. We will have a good idea of what was accomplished over the past weeks and goals moving forward. Please attend as I can't express enough of the importance that comes from your participation.

Thank You, Scott Blough, Council President

### ***Trinity Financial News...***

Remember the song **"He Can Do It Again"?** *(with guitar chords)*  
G C Time after time I hear people say to me  
D G "Why don't we see miracles like there used to be?"  
C I still believe in miracles, God hears us when we pray  
D D7 G 'cos God is God like yesterday and God is God today

Am (Refrain) He can do it again, and again and again.  
C D C G He's the same Father now as he always has been  
Am Yesterday, now, forever, He's always the same.  
C D C D G There's no reason to doubt, God can do it again.  
(Key change to Ab)

You've asked God to meet your need, so why not trust in Him.  
God has done it all before, He'll do it all again.  
He's willing, much more willing than any man can say  
to perform a mighty miracle in your life today. (Ref) He can do it...

*Matthew 6:12 "Forgive us our trespasses..." Let's start the New Year 2021 off right. Let us have hearts of forgiveness. God through his Son Jesus has forgiven us our trespasses when He died for us on the cross. All we need to do is come before our Lord with contrite hearts and ask for that forgiveness. Imagine! it's there for the asking. How simple is that on our part, how hard for Jesus, who went through the agony of the cross on our behalf. Just name the sin before Him, confess it and ask for the Holy Spirit's help in turning away from it. The scripture tells us in the Lord's Prayer, "Forgive us our trespasses as we forgive those who trespass against us." Hence, if we do not forgive others, God cannot forgive us. We are blocking His way and our relationship with our Lord suffers. We won't be feeling that 'peace that passes understanding down in our hearts' as the song says. So let us clear our consciences as we begin the new year; let's start it with a clean slate. Let's start it with a right relationship with the Lord. Let's start it with a clean heart; then God's Spirit will work within us to do His will in our lives and in His Church. And, as Christie sang to us in Advent, "Let there be peace on earth and let it begin with me;" the peace that will fill our hearts with joy in our service to our Lord and King. Thank You Lord for your forgiveness, In Jesus' name, Amen. "No Jesus, no peace; Know Jesus, know peace!"*

## News in the pews...

### Congratulations to Lisa (Sahai) & Lee Harrison who are new grandparents.

Archie Lee Harrison was born October 9th and weighed 7 lbs, 10 oz. Courtesy of Jenna Harrison and Connor Fisher from Ramsgate, England.

Also, **Lisa & Lee have moved** to Scottsdale, AZ. Their New address is 5012 East Emile Zola Ave. Scottsdale, AZ 85254

On a sadder note, **Elizabeth DeSouza**, Lisa's **Aunt Betty** was called Home by the Lord in December. Many of you will remember Wilma Sahai's sister visiting us in worship. Lisa described her as a beautiful, God-fearing, strong woman. Betty actually was in Glen Cove ICU with blood clots in her lungs (not Covid), at the same time as Anita was there. Lisa had contacted us to put her on prayer chain. Betty was transferred to Manhasset Hospital for further monitoring. Anita was moved in December to a nursing home on the south shore. Please keep the Sahai family and Anita and son Tony in your prayers for strength at these difficult times. Many thanks!!

**Just Moved...**With sadness of heart we say good-bye to **Lori Kampe** who has moved to New Jersey to be closer to Kristine and family. Kim is still in Tennessee. We wish Lori all the best in the next chapter of her life. She has already found a new church home. God's richest blessings to you Lori. You will be missed. Her new address is: 500 North Ave #36, Garwood, NJ 07027

### Happy 90th Birthday to Mike Rich last November 28th.

God's richest blessing in the year ahead. We miss you at church and wish you all the happiness in the world! Enjoy those grandbabies! Stay Well!!
