**From the Pastor**

Dear Brothers and Sisters in Christ,

September 22nd is the official date of a new season. The date on which we can welcome the Fall Season. The change of season means that the summer clothing goes back into the closet or thrift stores receive new clothes. The best part, this means that you can now buy new clothes to dress warmly. But, do clothes define the man? Can you describe a person's attitude or way of life just by their clothes? Maybe it's a name brand, or perhaps it's an off-street brand. Some people can afford new clothes and some cannot. Whatever the brand might be, it does not matter; it keeps the person warm. Adam and Eve wore the first clothes; it was to clothe their bodies and mostly their shame. Now we wear clothes just because it is the norm. However, specific clothing has a special meaning that does not have materials, colors, or unique branding.

*"After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands." Revelations 7:9*

This particular clothing is given to us freely by the blood of the Lamb. Therefore, we are no longer God's people clothed in shame. Instead, God clothes His people in righteousness and we have the beautiful opportunity to praise God! Therefore, whatever the season might entail, it is the season of Faith! Here is your white garment! Enjoy the season.

*Robed with you in a garment of praise, Pastor Travis*
