From the Pastor

Dear Brothers and Sisters in Christ,

What is the one place you would like to go? Any destination, no matter the price or location. The majority of people will choose an area with a decent amount of sun. All people want is a good amount of sun. With the sun, people can go to the beach, the river for fishing, or an activity that allows families to have fun. So where do you want to go? Someplace warm, or maybe you like a place cold?

Now here's the thing, you usually go to a place you want to go. Any destination has a certain allure to it. But, for God, what is the appeal to leave Heaven. Heaven is the top destination. Heaven is the place everybody wants to go to, which means no one should ever leave it. Yet, God does. We live in a forsaken and sick world, which means there's no allure to it. He came down to save it and not to condemn it. No one has ascended into Heaven except he who descended from Heaven, the Son of Man. John 3:13 Jesus came to save us all.

People might choose to abandon God. What they might not know is that God's grace is for everyone. People might think that God has left them, but He has not. He came for a specific reason: to bring us into the kingdom. He paid for your ticket with His blood. The destination is Heaven, welcome aboard.

Heaven-bound, Pastor Travis

*"He came unto his own, and his own received him not.
But as many as received him, to them gave he the power to
become the sons of God, even to them who believe on his name:
Which were born, not of blood, nor of the will of the flesh,
nor of the will of man, but of God. And the Word was made
flesh, and dwelt among us, (and we beheld his glory, the
glory as of the only begotten of the Father,)
full of grace and truth." John 1:11-14*
