November 2021
From the Pastor**

Dear Brothers and Sisters in Christ,

It is the eleventh month which means it is the eleventh hour. During the eleventh hour, things can change, or they can stay the same. Once midnight happens, it can either be bad or good for the community. Usually, we hear about the eleventh hour from political shows. Can things change before the final deadline is complete? As a church, we are always in the eleventh hour. The deadline is Jesus' return from Heaven. Do we change, or do we stay the same?

Before we can honestly answer that, we have to look at others who have been in our place. ¹¹ and said, "Men of Galilee, why do you stand looking into Heaven? This Jesus, who was taken up from you into Heaven, will come in the same way as you saw him go into Heaven." Acts 1:11. The disciples were staring into space and needed a little reminder. Sometimes, we need a reminder like the disciples. Why are we just standing around? We all know Jesus is going to return; that's the easy part. God reminds us that Jesus will return; until then, we have work to do. ⁸ But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and all Judea and Samaria, and to the end of the earth." Acts 1:8 We have heard the word of God tell us the work of the Holy Spirit. The Holy Spirit moved the disciples into Judea, Samaria, and the world. So when we pray, I hope you ask the Holy Spirit to move you into Judea, Samaria, and the world. It is easy to stay in one place, but that's not the mission God has for his people. His mission is for all the people to hear the word of God, witness God's work, and know God's love. Therefore, It is the eleventh hour, and we are not going to be standing around waiting. Let's get moving!

Press on toward the goal in Christ Jesus, Pastor Travis
