Pastor Anthony

Depending on what denomination you belong to, this time of year has different titles. For most, this is called "Ordinary Time". Altar linens and clergy vestments are green during this season. For about 6 months every year, we change colors for Advent, Lent, Pentecost, etc., but for almost half the year, we are "ordinary".

There's certainly nothing ordinary about God so why does the Church have such an extended period of it? The answer is found in our individual lives. We have days, weeks or even seasons where it feels like everything is a mad dash. But that pace isn't sustained for long stretches, nor is it sustainable. We need to slow down. We need rest. We need ordinary time.

I have had amazing moments in my life like the birth of my children, my ordination, and the joy of high school reunions. But most of my time, most of my days, are ordinary. If we look at the lives of people in the Bible or saints from Church history, we find extraordinary moments and long stretches of "doing life". And it is in that ordinary time that God works in still, small ways. He works through rest as He restores us to health. He works through everyday people in our lives in conversations or loving moments. Having a rhythm to our lives is a good thing and much of God's work in, on and through us is done during ordinary, regular days.

I am blessed that I get to spend most of my upcoming Sundays worshipping with you. Even though we are in Ordinary Time, it has been, and promises to be, rewarding in so many ways.

I look forward to seeing you soon.

Peace, Pastor Anthony

A Spiritual Boost...

Do you seek Wisdom? Are you looking for Guidance? If so, go to God's Word to receive it. James, the Lord's brother, tells us in Chapter 3, verses 17-18 "But the wisdom that is from above is first pure, then peaceable, gentle, willing to yield, full of mercy, good fruits, without partiality and without hypocrisy. Now the fruit of righteousness is sown in peace by those who make peace. God bless your journey!"
